MAP OF TRIBAL AREAS OF AUSTRALIA

The Australian Institute of Aboriginal Studies has announced the availability of a map which represents graphically a synthesis of much of the earlier work of Dr. Tindale, and should be of interest to all people interested in the distribution of Aboriginal tribes and languages in Australia. Tribal names are represented in Geographic II spelling, a practical orthography which uses the ordinary letters of the alphabet, not phonetic symbols.

The map (4 sheets each 83 x 99cm printed in two colours) price \$3.00, post free within Australia, is available from -
