CURRICULUM DEVELOPMENT - ISLANDER STUDIES

Kindercraft Association
City Hall
Brisbane

6 May 1983

Dear Readers,

I am attempting a curriculum development project in the area of Islander Studies in the subject area Aboriginal and Islander Studies at the Kindercraft Aboriginal Training Course, City Hall, Brisbane. This curriculum development is necessary, as there is a shortage of Islander Studies courses Australia-wide and therefore little for me to draw upon.

If any of you, especially Islander readers, are able to contribute to this course, I would appreciate it very much, as it is extremely difficult to develop a course of this nature in isolation from the people and area concerned.

Yours sincerely

Anne Draper
(Part time lecturer in Aboriginal
and Islander Studies)
